Raj Bhavan, Dehradun, 07March,2014

Uttarakhand Governor Dr.Aziz Qureshi has greeted all the women of Devhumi Uttarakhand on the occasion of International Women's Day.

In his message issued on the eve of the occasion, the Governor said that women were achieving success in all spheres, exhibiting their multi-talented personalities.

He said this was the day to celebrate their achievements whole-heartedly and encourage them in their endeavours.

The Governor said that the theme chosen by the United Nations this year for Women's Day was related to providing equal opportunities to and inspiring change in the lives of women.

He also said that women needed respect more than security. He said that if society changed itself from being male-dominated and began respecting women, women would become secure.
